

skateland

3801 N. Church St.
Greensboro, NC

Dear Triad Math & Science Academy ,

Thank you for choosing Skateland USA North for your school to have fun as well as raise extra money for the PTA.

Please tell everyone representing your group to identify themselves as being with your school when they purchase their ticket. Please inform your group that Skateland USA does not allow spectators except parents watching their children skate. No food or drinks may be brought into the building and all rink rules must be followed. Please inform students not to skate in the parking lot.

Skateland USA North is committed to helping you have a successful PTA fund raiser. Participation is an essential part of the fund raiser; so we encourage you to invite friends, neighbors, and relatives to join in the skating fun. Enclosed you will find a master for an advertising flyer for each of your dates to pass out to the students. If you create your own flyer, make sure you include all information from our flyer.

The price structure for your fund raiser and the dates and times you have requested are listed on the next page for you to review. If changes to your schedule are necessary; please call Andy Hawkins at 621-5632 as soon as possible.

All money raised during your fund raiser must be picked up the night of the event.

Sincerely,

Andy Hawkins
Rink Operator
